

Urban Development and Housing Department Government of Sikkim

TO WHOM IT MAY CONCERN

This is to certify that, the Greendale school complex, has been duly Certified & vetted to be Structurally Safe. The structural safety / plan and the building by-laws as laid down by the Urban Development and Housing Department, Government of Sikkim, has been implemented and enforced. The construction has been completed as per the approved Blue Print Plan. The building therefore is safe for Occupancy.

I wish the school authorities the very best for their future endeavour.
